

## Introduction

The year 2020-21 has been a roller coaster ride for humanity. COVID-19 pandemic has not only changed the way the world operates but the entire outlook towards how life should be led is changing. It has never been a better time to invest in technology and what better way to start other than equipping the youth of our nation with knowledge and power to utilize technology for betterment of the society.

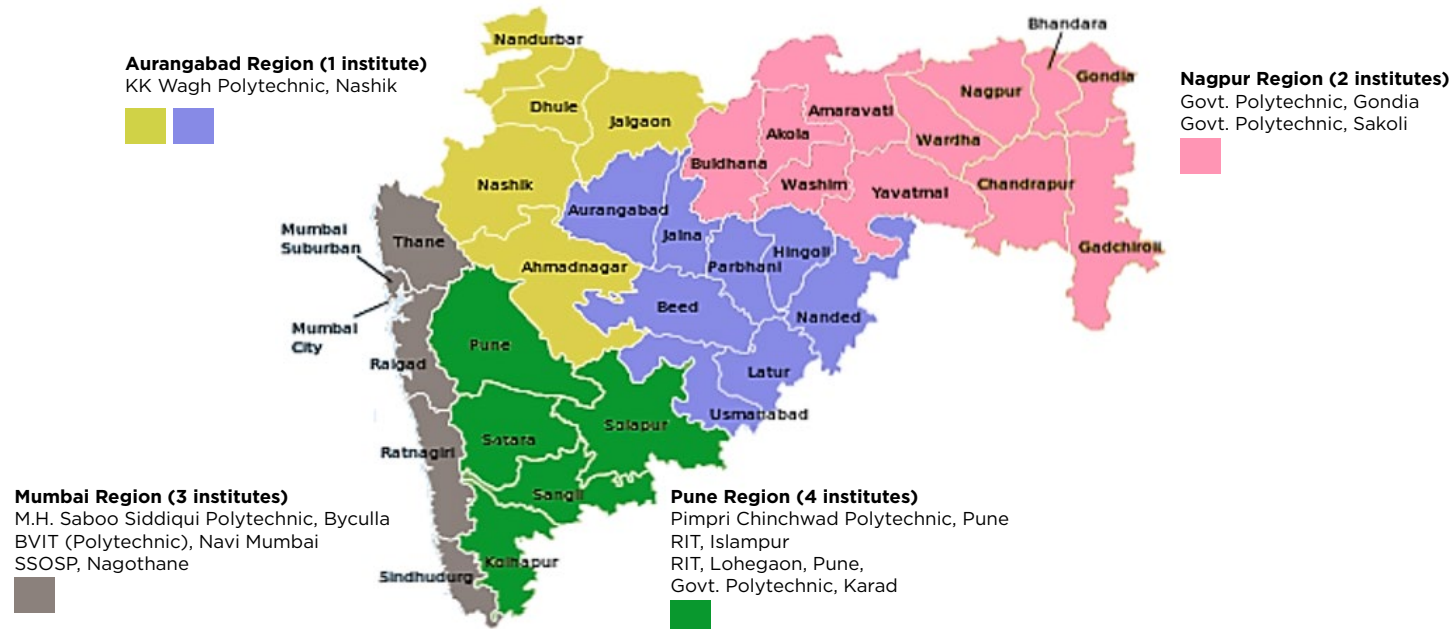

The world is utilizing technology especially SAP to overcome impediments created by pandemic across all sectors be it engineering, healthcare, vaccination, communication and most important of all education. The world leaders in vaccination manufacturing like of Pfizer, Moderna or the Serum Institute have been utilizing the latest technology offered by SAP for advancement of their organization and thereby helping nations globally to have early access to vaccine. RSPL in partnership with SAP and MSBTE utilized all its resources and invested heavily to make rapid transition by incorporating cloud computing and AI to ensure the students growth and employability only improves manifold making them industry ready via online education and certification.

In addition, we are proud to announce that we have been able to bring forward campus recruitment requirements from a few top companies like TCS, Infosys, Capgemini, Cognizant, John Deere, JSW Group etc. **More than 90%** of the students who underwent SAP training in current/previous years were **eligible for jobs** in above mentioned companies. **More than 70%** of the institutes utilised these services provided by our team to enrol their students for Job interviews. However, we urge and hope that 100% of institutes utilise these offering by RSPL for the benefit of their respective students in coming years.

Let us now look at the statistics of the 2020-21 SAP Training Program.

## Training Statistics

A total of 10 diploma institutes participated in the training program during the academic year. **Pune Region** had **four** institutes participating. **Three** institutes from **Mumbai region**. **Two** from **Nagpur region** and **one** institute from **Aurangabad region**. As many as **six new institutes** across all regions participated in the program. With the world adapting to online ways of teaching, we are certain more institutes / students will take up the training in coming future, especially with more companies wanting to recruit fresh SAP trained talent directly from institutes.

## Training Update

Each year, RSPL in partnership with MSBTE felicitate active institutes and offer scholarships to deserving students. We congratulate all the winners for their stupendous performance. The winners shall be contacted in due course.

17.	MIT Polytechnic, Pune	3	Pune

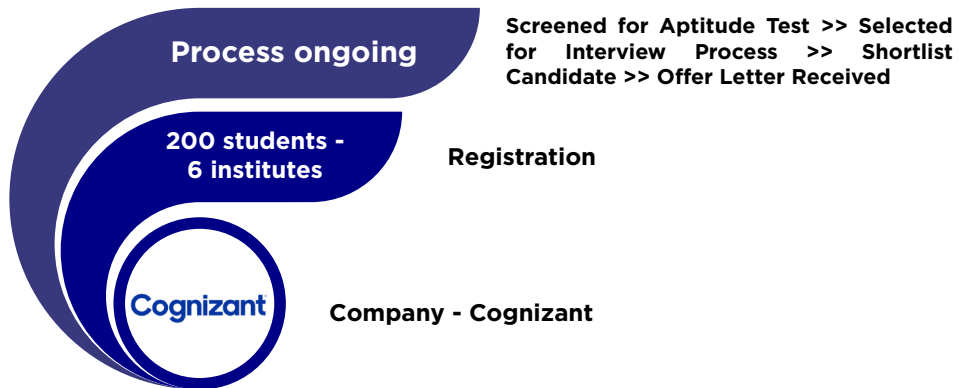

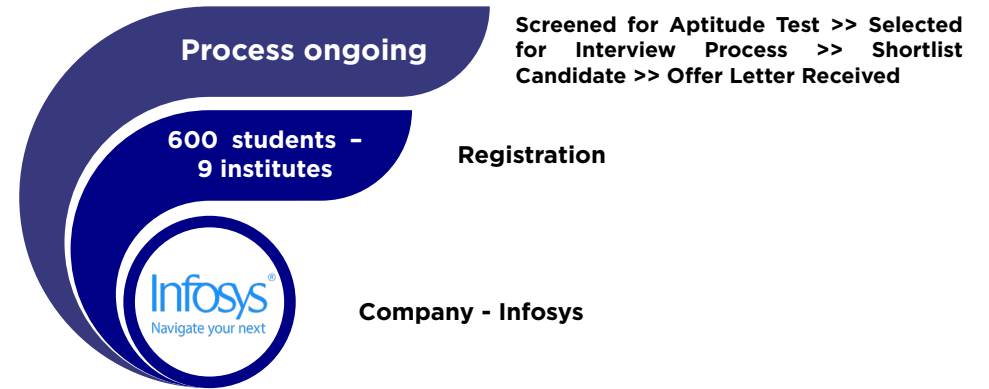

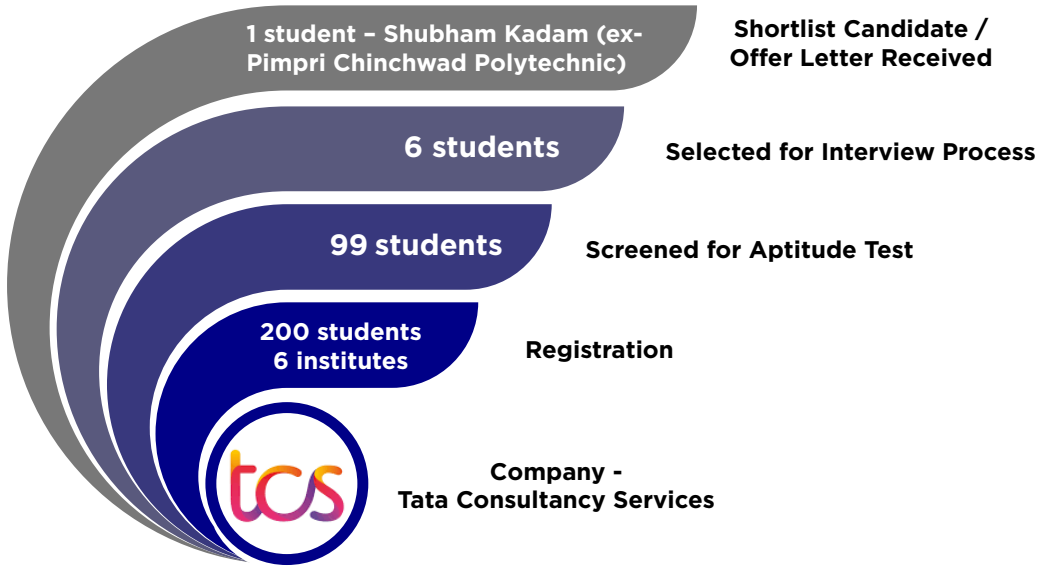

The success of SAP Training program has to be credited to MSBTE and its institutes along with their staff who have worked relentlessly with the RSPL team. We would like to take this opportunity to recognise their contribution towards the success of the training program.

RSPL will felicitate the institutes who have arranged the training program for 5 or more times for showing their continued support and inclination towards organising the SAP Training Program. We urge other institutes to do the same and make the program a continuing success. We will be sending out the token of appreciation to institutes shortly.

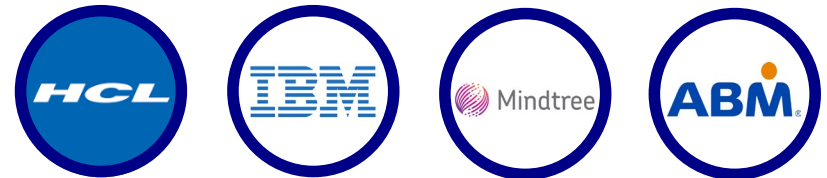

## Online Campus Recruitment

RSPL in collaboration with MSBTE & SAP have been able to bring Online/Offline Campus Recruitment for students from top companies across India.

Requirement for these companies have been forwarded.  
**Entries awaited**

## Shortlisted Candidates for Tata Consultancy Services (TCS)

We would like to congratulate all 6 students who made it through to the interview round and specially to Mr. Shubham Kadam for getting selected in TCS. The online recruitment process was a national affair with thousands of students participating. We wish him all the very best for his future career with TCS.

K.K. Wagh Polytechnic, Nashik

**Mr. Ashutosh Salgar**  
Pimpri Chinchwad Polytechnic,  
Nigdi

**Mr. Onkar Jadhav**  
Pimpri Chinchwad Polytechnic,  
Nigdi

**Ms. Krish Sharma**  
Pimpri Chinchwad Polytechnic,  
Nigdi

## Student Feedback

““

*I would like to extend a warm thank you for organizing an amazing training session. Not only the session was very informative but the SAP training material that was provided was also very interesting. What I enjoyed the most was the infographics which made the whole process of learning so much more fun. It was a great job done and will look forward for attending more training sessions with you. Thank You.*

**Harshad Deshmukh, Sheth Shri Otarmal Sheshmal Parmar  
College of Diploma Engineering Polytechnic, Welshet**

””

““

*The training is very helpful for us. We learnt industrial practical knowledge, learning different module in SAP and supply chain process. I really liked the instructor, he was very knowledgeable and helpful, not only during the training but also gave valuable career advice. I would definitely recommend this course to others regardless of their level of expertise.*

**Disha Shende, Government Polytechnic, Gondia**

””

““

*I have completed the SAP online training it was like a really good knowledgeable training. In this training period, I learn about SAP, a cloud company, its services, logistics and cloud applications. I learnt the analytics and strategic planning, system wide concepts. The trainer was really great and he has lot of knowledge and experience as well as he have a lot of patience to explain each topics with examples.*

**Hushant Nirwan, GP Sakoli**

””

““

*I learnt a lot of new things and I loved the way the instructor taught us. Overall the course is very helpful and good for our future. From the course, I learnt industrial practical knowledge, departments and functions and more importantly I got deep knowledge about SAP software.*

**Ojas Dixit, Pimpri Chinchwad Polytechnic, Pune**

””

During, 2020-21, RSPL team also assisted MTech students with their thesis on topics of 'Application of Enterprise Resource Planning (ERP) for Material Management on a construction project.

## Way Forward

We invite all MSBTE affiliated diploma institutes to take advantage of the MSBTE sponsored SAP scholarship scheme and enrol their students to learn SAP and utilise Job assistance services provided by RSPL at no additional cost.

All institutes are encouraged to register their interest and enrol their students (1st, 2nd & 3rd years) at the earliest.

**REGISTRATIONS OPEN
